## Theme:

### All of this is Us: Church and Culture

The Uniting Church seeks to be an intercultural and intergenerational church.

What does this look like in practice?

What are the challenges and, more importantly, how do we work towards addressing them together?

This year's Summer Spirit will help us think more about how we worship and live in a society that is transforming and changing all the time. Come to be inspired, challenged, and equipped!

### Who should attend?

- ✓ All ordained ministers who want to explore how the church continues to change and develop.
- ✓ All Elders and Church Councillors so they can better "build-up the congregation in faith and love, sustain members in hope, and lead them into fuller participation in Christ's mission in the world"
- ✓ Lay Preachers and others involved in local church leadership.
- ✓ **Groups from congregations are especially encouraged to attend so you can work together later to implement learnings in your congregation. Group discount available - if you enrol five people the sixth one will be free!**

### What's Happening?
